Memo #16-029-01

TO Chief Treadway
FROM Sgt. Matt Wright
DATE March 31, 2016
REF Liquor License application for Hensley Beverage Company Series 4

On March 31, 2016, I initiated an investigation into a liquor license application filed by Cindy McCain, Robert Delgado, and Thomas Holtrup the listed applicants for Hensley Beverage Company. Hensley Beverage is located at 1850 E. Butler Ave., in Flagstaff. This is a series 4 wholesale license application for license number #04033012. A series 4 license is for wholesale distributing only.

I conducted a query of local systems and public access on Cindy McCain, Robert Delgado, and Thomas Holtrup and no derogatory records were found. I spoke with Thomas who indicated Hensley and Company have recently purchased Golden Eagle Distributors and plan to operate at the same location. Thomas confirmed they have had one liquor law violation that he was aware of. This violation has been disclosed in the application, and occurred in 1995 for dealing spirituous liquor to an unlicensed retailer. The fines have been paid.

Hensley Distributing is currently operating under an interim license pending final approval. Due to my findings recommendation to Council is for approval.
